Final Opportunity! Last remaining acreage lot in Wagtail Hideaway.

Unique. Beautiful. Majestic.

Three words that don't even begin to describe this incredible opportunity to create your own masterpiece on this picturesque blank canvas.

As you enter into the forest lined driveway leaving the suburban streets behind you, you could be forgiven for thinking that you are miles from anywhere but in fact you have the best of both worlds.

Seclusion and convenience combined with everything that beautiful Bli Bli has to offer at your doorstep and yet you are surrounded by gorgeous farmland and lush vegetation that is protected by covenant which means you will never be built out.

You will quickly begin to dream the designs and dimensions of your new home the second you step foot upon this north east facing 6100 square metres of paradise. This lot is adjoining only 2 other lots in Wagtail Hideaway with recently built prestigious designer homes.

Once your home is built you will be able to enjoy the lovely sea breezes that flow throughout the day and enjoy the soothing tones of the Wagtails, Kingfishers and Whipbirds that call the forest their home.

Although you enjoy the seclusion and privacy of the Wagtail Hideaway enclosure, you can still enjoy all the benefits of being close to the Parklakes 2 Master Planned estate.

Enjoy the three acres of Central Park land that offers a kids playground, large open spaces for sporting activities, BBQs and picnics. There is a 2.5km walking circuit that encompasses the tranquil surrounds of the lush fauna and calming lakes that Parklakes 2 is renowned for.

You are only 5 minutes away from the ever expanding Bli Bli shopping strip and Maroochy River Golf Club and an easy 10 minutes from the Sunshine Coast airport.
