Explore this beautiful hidden gem, as you walk through the deceptively simple exterior into a gorgeously styled family home.

This freshly renovated family home represents a great entry level starter for young families or young adults looking to break in to the competitive Perth real estate market.

Centerpiece and star of the home is a stunning new chef's style kitchen with bold styling, an abundance of storage and a massive central multi-purpose island which serves as working space, breakfast bar, and entertaining space.

The generous sized master suite boasts a beautiful his and hers walk through robe with storage galore, an en-suite bathroom and access to a lovely private courtyard that serves as a parents retreat enjoying the morning sunshine.

Sliding doors in the family rooms and master suite open on to outdoor entertaining areas with easy care garden beds.

Family bedrooms and study are set toward the front of the house and share a large bathroom with a generous sized bath and shower.

A central living room can be configured as a family movie room, kids playroom or parents retreat as preferred.

Roller shutters are installed throughout, providing security, peace of mind and the ability to lock and leave.

The interior has been freshly painted throughout in modern neutral colours ready to be highlighted with your own personal touch.

Features include;

- Gorgeous, spacious, boldly styled chefs kitchen and living area
- rear master suite with spacious walk thru robe and outdoor courtyard
- family movie room/kids playroom/parents retreat
- newly installed ducted evaporative air-conditioning
